

**The Board of Directors' of Trelleborg AB (publ) proposal regarding authorisation for the Board of Directors to resolve on repurchase of own shares**

The Board of Directors of Trelleborg AB (publ) (the "**Company**") proposes that the Annual General Meeting on April 27, 2022 resolves to authorise the Board of Directors to resolve on acquisition of own class B shares, on the following terms and conditions:

- (i) acquisition may take place on Nasdaq Stockholm, on one or more occasions prior to the next Annual General Meeting;
- (ii) acquisition may be made of such amount of shares of class B that the Company's holding of own shares does not at any time exceed one tenth of the total number of shares in the Company, provided that, based on the most recently adopted balance sheet, there is sufficient unrestricted equity;
- (iii) acquisition may be made at a price which falls within the prevailing price interval registered at each point in time (i.e. in the interval between the highest purchase price and the lowest selling price); and
- (iv) payment of acquired shares shall be made in cash.

The purpose of the proposed authorisation, is to enable the Board of Directors to start adapt the Company's capital structure and thereby contribute to increased shareholder value. The intent is that the repurchased shares later will be cancelled by resolutions of upcoming Annual General Meetings.

The Board of Directors shall be entitled to resolve on other terms and conditions for the repurchase of own shares. The Chairman of the Board of Directors, or the person appointed by the Chairman of the Board of Directors, is authorised to make such minor adjustments in the above proposal that may prove to be necessary in connection with execution of the Board of Directors' resolution on repurchase of own shares.

In order to be valid, a resolution regarding authorisation of the Board of Directors to acquire own shares of class B requires approval of at least two thirds of the votes cast and the shares represented at the meeting.
