

S-1500 Track

Designed and approved for Hägglunds BV206

Trelleborg's Applied Technologies well-proven S-1500 track is designed and approved according to Hägglunds specification for BV206 tracks.

Since the BV206 was introduced to the market we have supplied armed forces worldwide with over 30,000 tracks including supply to Norway, Finland, UK, Sweden, Spain, Chile, Pakistan, Singapore and Republic of Korea.

In addition, we have regular deliveries to private BV206 owners worldwide.

Our S-1500 tracks are preferred among users, and the significant number of tracks delivered worldwide proves our track record to provide the customer with reliable quality at competitive prices. Our S-1500 tracks are interchangeable with the original mounted Hägglunds tracks without any modifications or adjustments.

Features:

- NATO stock number: 2530-25-135-4316
