Healthcare & Medical Newsletter

Q4 2021

Welcome to our Healthcare & Medical newsletter
We hope that you are all keeping healthy and safe, wherever you are reading this around the world.

As Christmas draws ever closer and 2021 comes to an end, we are looking forward to an exciting 2022. We have some exciting new products that will be set to make a splash in the world of Trelleborg Engineered Coated Fabrics' Healthcare & Medical division.

As ever, please do drop us a line to discuss your next project – you may be surprised by what we can offer. I encourage you to [visit our website](#) to learn more about our products and the market segments that we serve.

Thank you for your support and business in 2021; on behalf of our colleagues around the world, we wish you a happy, healthy holiday season and we look forward to strengthening our partnership in 2022.

With warm regards and good tidings for the New Year.

Mark Jones
Global Director ECF Healthcare & Medical

RICHARD HAXBY APPOINTED CONVENOR OF ISO COMMITTEE

Healthcare & Medical Technical Director for Trelleborg Engineered Coated Fabrics, Richard Haxby has been appointed Convenor of ISO TC173 WG11 Mattress Standards committee.

The committee works closely with the National Pressure Injury Advisory Panel (NPIAP) and plays a vital role in setting the global standards for hospital mattress requirements.

CELEBRATING 40 YEARS OF SERVICE

Mick Goff, Mixing Room Supervisor and Dave Smith, Warehouse Operative at our Nottingham, UK facility are celebrating 40 years of employment this year.

Meanwhile, Rick Malo Trelleborg Monson, MA Plant Manager celebrates 30 years with the business.

TEAM UP FOR SAFETY

"Team Up for Safety" is a new Trelleborg Group wide safety initiative focusing on building a strong safety culture.

The initiative focuses on three main pillars: Leadership, Behaviour, and Risk Prevention. One component of "Team Up for Safety" is a workshop to encourage all employees to have a dialogue about various safety matters.

Workshops have been ongoing across all Engineered Coated Fabrics sites in Monson MA, Rutherfordton NC, and Nottingham UK.
