

# Fast Delivery

## Trelleborg Lyon 48h services

### A dedicated offer

Trelleborg Lyon Industrial hoses offers assemblies solutions shipped to France, Spain, Italy and the Benelux countries. In addition to our assemblies solutions for which we manufacture hoses on request, using standard Trelleborg fittings, Trelleborg Lyon Industrial hoses offers a dedicated 48-hour flexible offer.

### Conditions

#### ● Quantity

Maximum order of 10 hoses. For orders of 11 or more hoses, please contact us for lead times

#### ● Delays

Orders entered before 4:00 pm will be available in the warehouse within 48 hours for dispatch by courier (excluding TMD).

#### ● Transport

Express with extra charge on request or regular delivery according to our usual conditions.
