## Trelleborg service

Trelleborg can provide a complete service by:

- Removing worn lagging
- Abrasive blasting
- Re lagging
- Trimming and painting.

Trelleborg refurbish drive and non drive pulleys and all types of rollers such as idlers, squeeze rollers, return rollers, etc using either cured sheet or strip rubber or hot rubber lining in our 2.4 x 12 mtr autoclave.

Trelleborg is a world leader in engineered polymer solutions that seal, damp and protect critical applications in demanding environments. Its innovative solutions accelerate performance for customers in a sustainable way.
