Subject: American Iron and Steel Manufacturer Certification

I, Rob Brockway certify that EPDM rubber compounds and 304 Stainless Steel used in the following products and/or materials shipped or provided for the project is in full compliance with the American Iron and Steel requirement as mandated in EPA's State Revolving Fund Programs.

Item, Products and /or Materials:

Kor-N-Seal Pipe to Manhole Connectors

Kor-N-Tee Pipe to Pipe Connectors

Such process took place at the following location:

Rubber molding and extrusion: 250 Elm Street, Milford NH

304 Stainless Steel production: various U.S. Mills, primarily in Pennsylvania and Ohio

If any of the above compliance statements change while providing material to this project we will immediately notify the prime contractor and the engineer.

Rob Brockway
