Trelleborg Wins at Top 50+ Agricultural Awards in China

Trelleborg Wheel Systems has won two awards at China's prestigious Top 50+ Agricultural Machinery Awards for 2016 held in Xiong'an, Hebei, on 28th July 2017

The first is the award for '**Outstanding Supplier of The Year 2016**'; the performance of Trelleborg's innovative agricultural tires being recognized for the third time since year 2014. In addition, Trelleborg was one of three teams awarded '**Excellent Marketing Team of the Year 2016**', recognising the company's work in promoting excellence in agriculture through its marketing activities.

Sandy Luo, Senior Manager for Trelleborg Wheel Systems in China for agricultural and forestry tires, commented: "To receive both these prestigious awards is a phenomenal achievement for us and is testimony to the investments we continue to make in our products, manufacturing capability, as well as in our customers. We are very proud to be recognized by people from across agriculture in China; from equipment manufacturers to farmers. We firmly believe in the power of partnerships and adding value through quality products and innovation. Our passion for excellence will continue to drive us forward."

The Top 50+ Awards recognize and honor manufacturers of tractors, harvesters, combines and other products that have excelled in the areas of processing and production in agricultural machinery industry. Companies are selected following research conducted by CAAMM(China Association of Agricultural Machinery Manufacturers), CAMA (China Agricultural Mechanization Association) and the Journal of Farm Machinery.
