

**January 2020**

## **Trelleborg Announces Personnel Changes to its Wheel Systems Organization in EMEA**

Elio Bartoli, EMEA President & Global OEM at Trelleborg Wheel Systems announces organizational changes in its Europe, Middle East and Africa regional organization, effective January 1<sup>st</sup>, 2020.

**Andrea Manenti** is appointed Global Original Equipment Senior Director.

Starting his career in the agricultural tires industry in 1993, Manenti joined Trelleborg Wheel Systems in 2009, gaining extensive international experience as Managing Director in UK and Asia. In 2013, he moved back to the UK where until 2018, in addition to his local managing director role, he continued to work as Country Manager for China.

**Anton Stoynev** is appointed Business Development Director.

Anton Stoynev joined Trelleborg Wheel Systems in 2011 as Regional Managing Director for Czech Republic, Slovakia, Hungary and South-East Europe. Over the last eight years, Stoynev has been in charge of the successful development of the material handling segment for Trelleborg Wheel Systems in EMEA. In his new role, he will be responsible for the business development of the agricultural, material handling and construction segments of Trelleborg Wheel Systems across the EMEA Region.

**Gaetano De Astis** is appointed Managing Director Eastern Europe.

Before joining Trelleborg, De Astis gained extensive experience in sales and general management within CNH Industrial, where he served from 2014 as Managing Director Spain & Portugal for IVECO Trucks.

**Ludovic Revel**, Managing Director France, adds BeNeLux to his current geographical area of responsibility becoming Managing Director France & BeNeLux.

Revel has worked at Trelleborg for the past 22 years covering a number of international roles of increasing responsibilities in France, Italy, BeNeLux, South Africa, Brazil and Asia.

**Richard Lyons** has been appointed Managing Director UK and Ireland.

Lyons joined Trelleborg Wheel Systems in 2016 as Regional Managing Director East, South East Europe & Russia. He has spent more than 30 years in the automotive industry and gained a wealth of knowledge and experience operating globally on assignments with Iveco, Goodyear and Giti.
